JJ

SKILLS

Python, SharePoint, Ruby, Ruby on Rails, JavaScript, jQuery, React.js, Redux, SQL, Git, HTML5, CSS3

PROJECTS

Battleship   Live Site | Github
One-player version of the game Battleship written in Python

- Lorem ipsum dolor sit amet, consectetuer adipiscing elit. Aenean commodo ligula eget dolor. Aenean massa. Cum sociis natoque penatibus et magnis dis parturient montes.

Wellread (Rails, PostgreSQL, React, Redux)   Live Site | Github
Fullstack web app for organizing and discovering books*, inspired by Goodreads.*

- JavaScript closures chain complex backend API requests which require AJAX and access to the Redux store.
- Dynamic creation of membership (books/bookshelves/users) made possible through JSON/Jbuilder partials in combination with Rails ActiveRecord associations.

Amazing Student   Live Site | Github
This is a very short sentence about what your project does and the languages you used

- Lorem ipsum dolor sit amet, consectetuer adipiscing elit. Aenean commodo ligula eget dolor. Aenean massa. Cum sociis natoque penatibus et magnis dis parturient montes, nascetur

EXP

Project Specialist / Technology Coordinator
NYC Department of Transportation, Legal Affairs   Jun 2016 - Jan 2018
- Created custom Microsoft SharePoint apps to improve workflows across Divisions.
- Engineered changes to records searching and legal request tracking procedures through Microsoft SharePoint, improving user experience and efficiency.
- Authored spreadsheets, including PivotTables and graphs, to report productivity and other data.
- Authored text and visual training materials for technical, administrative, or procedural tasks.

Administrative Assistant / Paralegal
NYC Department of Transportation, Litigation Services, FOIL   Jan 2013 - Jun 2016
- Trained staff to perform records searches and to gain proficiency with new applications.
- Searched for records including permits and their applications, corrective action requests, notices of violation, inspections, repair orders, sidewalk violations, contracts, capital projects, complaints, and maps in various databases
- Organized and compiled records into digital binders and/or compact discs.

EDU

App Academy   (Spring 2018)
- Immersive software development course with focus on full stack web development
- Rigorous program that accepts < 3% of all applicants

Skidmore College   (Spring 2011) • *Bachelor of Arts - Psychology*
